**SACRAMENTO
SECTION****PECG ANNUAL LEGISLATIVE DAY ON STATE CAPITOL**

On February 7 Sacramento Section leaders descended upon the State Capitol for PECG's annual legislative day. Our leadership met with legislators to deliver PECG's messages on the need for transportation and other infrastructure funding and the need to avoid wasting money on outsourcing and public private partnerships. Kevin Kiley (2nd from left) representing 6th District of the California State Assembly can be seen with our PECG leadership in the picture.
